PLASTIMAGEN® MEXICO

24^{TH.} EDITION

Its track record of more than two decades has established **PLASTIMAGEN** is the **GROUNDBREAKING** event of the plastics industry in Mexico and Latin America. It has become the gateway to new markets by fostering links with buyers that seek cutting-edge technology and business solutions. Thanks to **PLASTIMAGEN**, exhibitors from around the world have secured commercial advantages, entered new markets, and established strategic partnerships.

This success has been bolstered by Mexico's geographic location and its network of more than 12 free trade agreements.

WHY EXHIBIT AT PLASTIMAGEN® MEXICO 2023?

Advantages:

- Your prime business forum for the plastic industry which has constantly evolved and adapted based on market needs throughout its 23 editions.
- The leading event in Latin America and recognized throughout the world demonstrated by the 15 international pavilions from all regions of the world who exhibit.
- Network of more than 70,000 national and international partners, including key players in the international plastics industry
- Leading event recognized throughout the Latin American market
- Solid track record in the organization of effective business gatherings
- Extensive marketing and promotion program
- Wide offering of stands and exhibit areas —varied price spectrum in line with client needs
- Promotes industry innovation: Plasti Award
